

Dear Parents:

I will do my best to provide an environment that promotes sharing, cooperation, respect for others and good manners. I expect the children to be able to play in a fair minded way and to get along with each other. In the event that I have to discipline a child, I will use "time outs". I will clearly explain what behavior caused the time out, and why that behavior is unacceptable. I will also reinforce positive behavior with compliments and praise.

However, the safety and security of the children under my care is my paramount concern. If your child behaves in such a way to jeopardize or threaten his or her own safety, or the safety of the other children, I will not longer be able to provide care for your child.

Thank You,

Tricia
